### Appeal from the community of Kyiv region

We, the entire territorial community of Kyiv region, appeal to you to support the request of the President of Ukraine Volodymyr Zelensky to close the skies over Ukraine.

The Russian invasion of Ukraine continues and the number of civilian casualties is growing. Already in the first days of the conflict, the use of weapons banned by the world community was recorded.

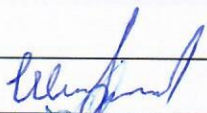

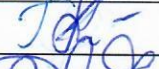

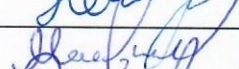

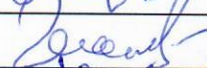

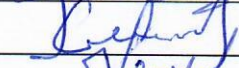

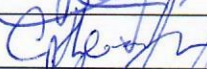

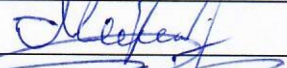

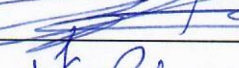

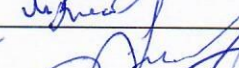

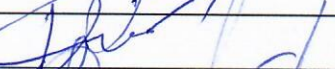

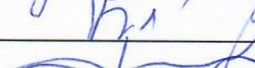

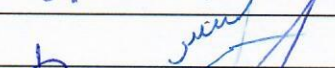

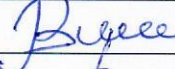

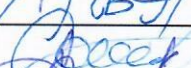

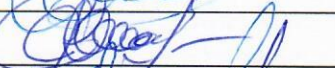

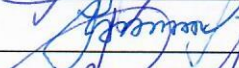

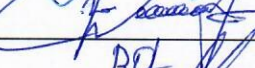

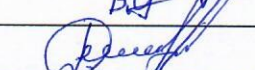

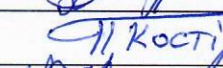

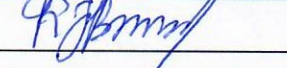

Thousands of dead and injured children, women, the elderly, destroyed hospitals, schools, kindergartens - this is the price of your procrastination.

Support Ukraine's appeal to NATO to close the skies!

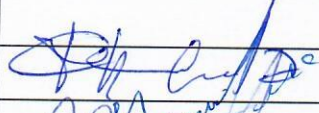

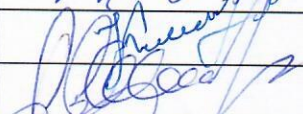

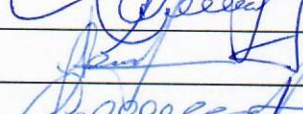

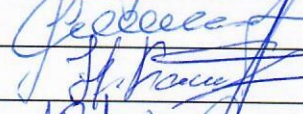

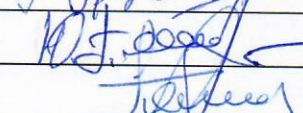

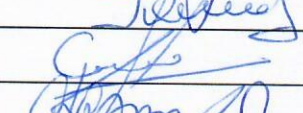

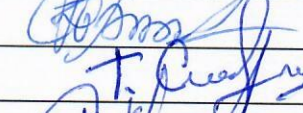

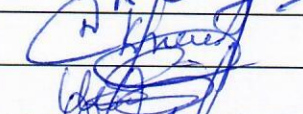

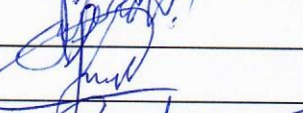

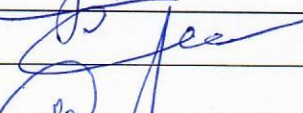

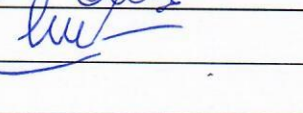

You need to act immediately!
